DRIVER MEET & GREET

SUNDAY, APRIL 13

11:30 AM GARAGE TOUR
11:50 AM MEET AND GREET WITH SANTINO FERRUCCI

*Meet & Greet are subject to change and/or cancellation

GROUP TOURS / MEET & GREET: We are thrilled to invite our esteemed VIP guests to an exclusive and exhilarating experience at the heart of the racing world!

The Garage Tour and Meet & Greet will begin promptly at 11:30 AM on Sunday.

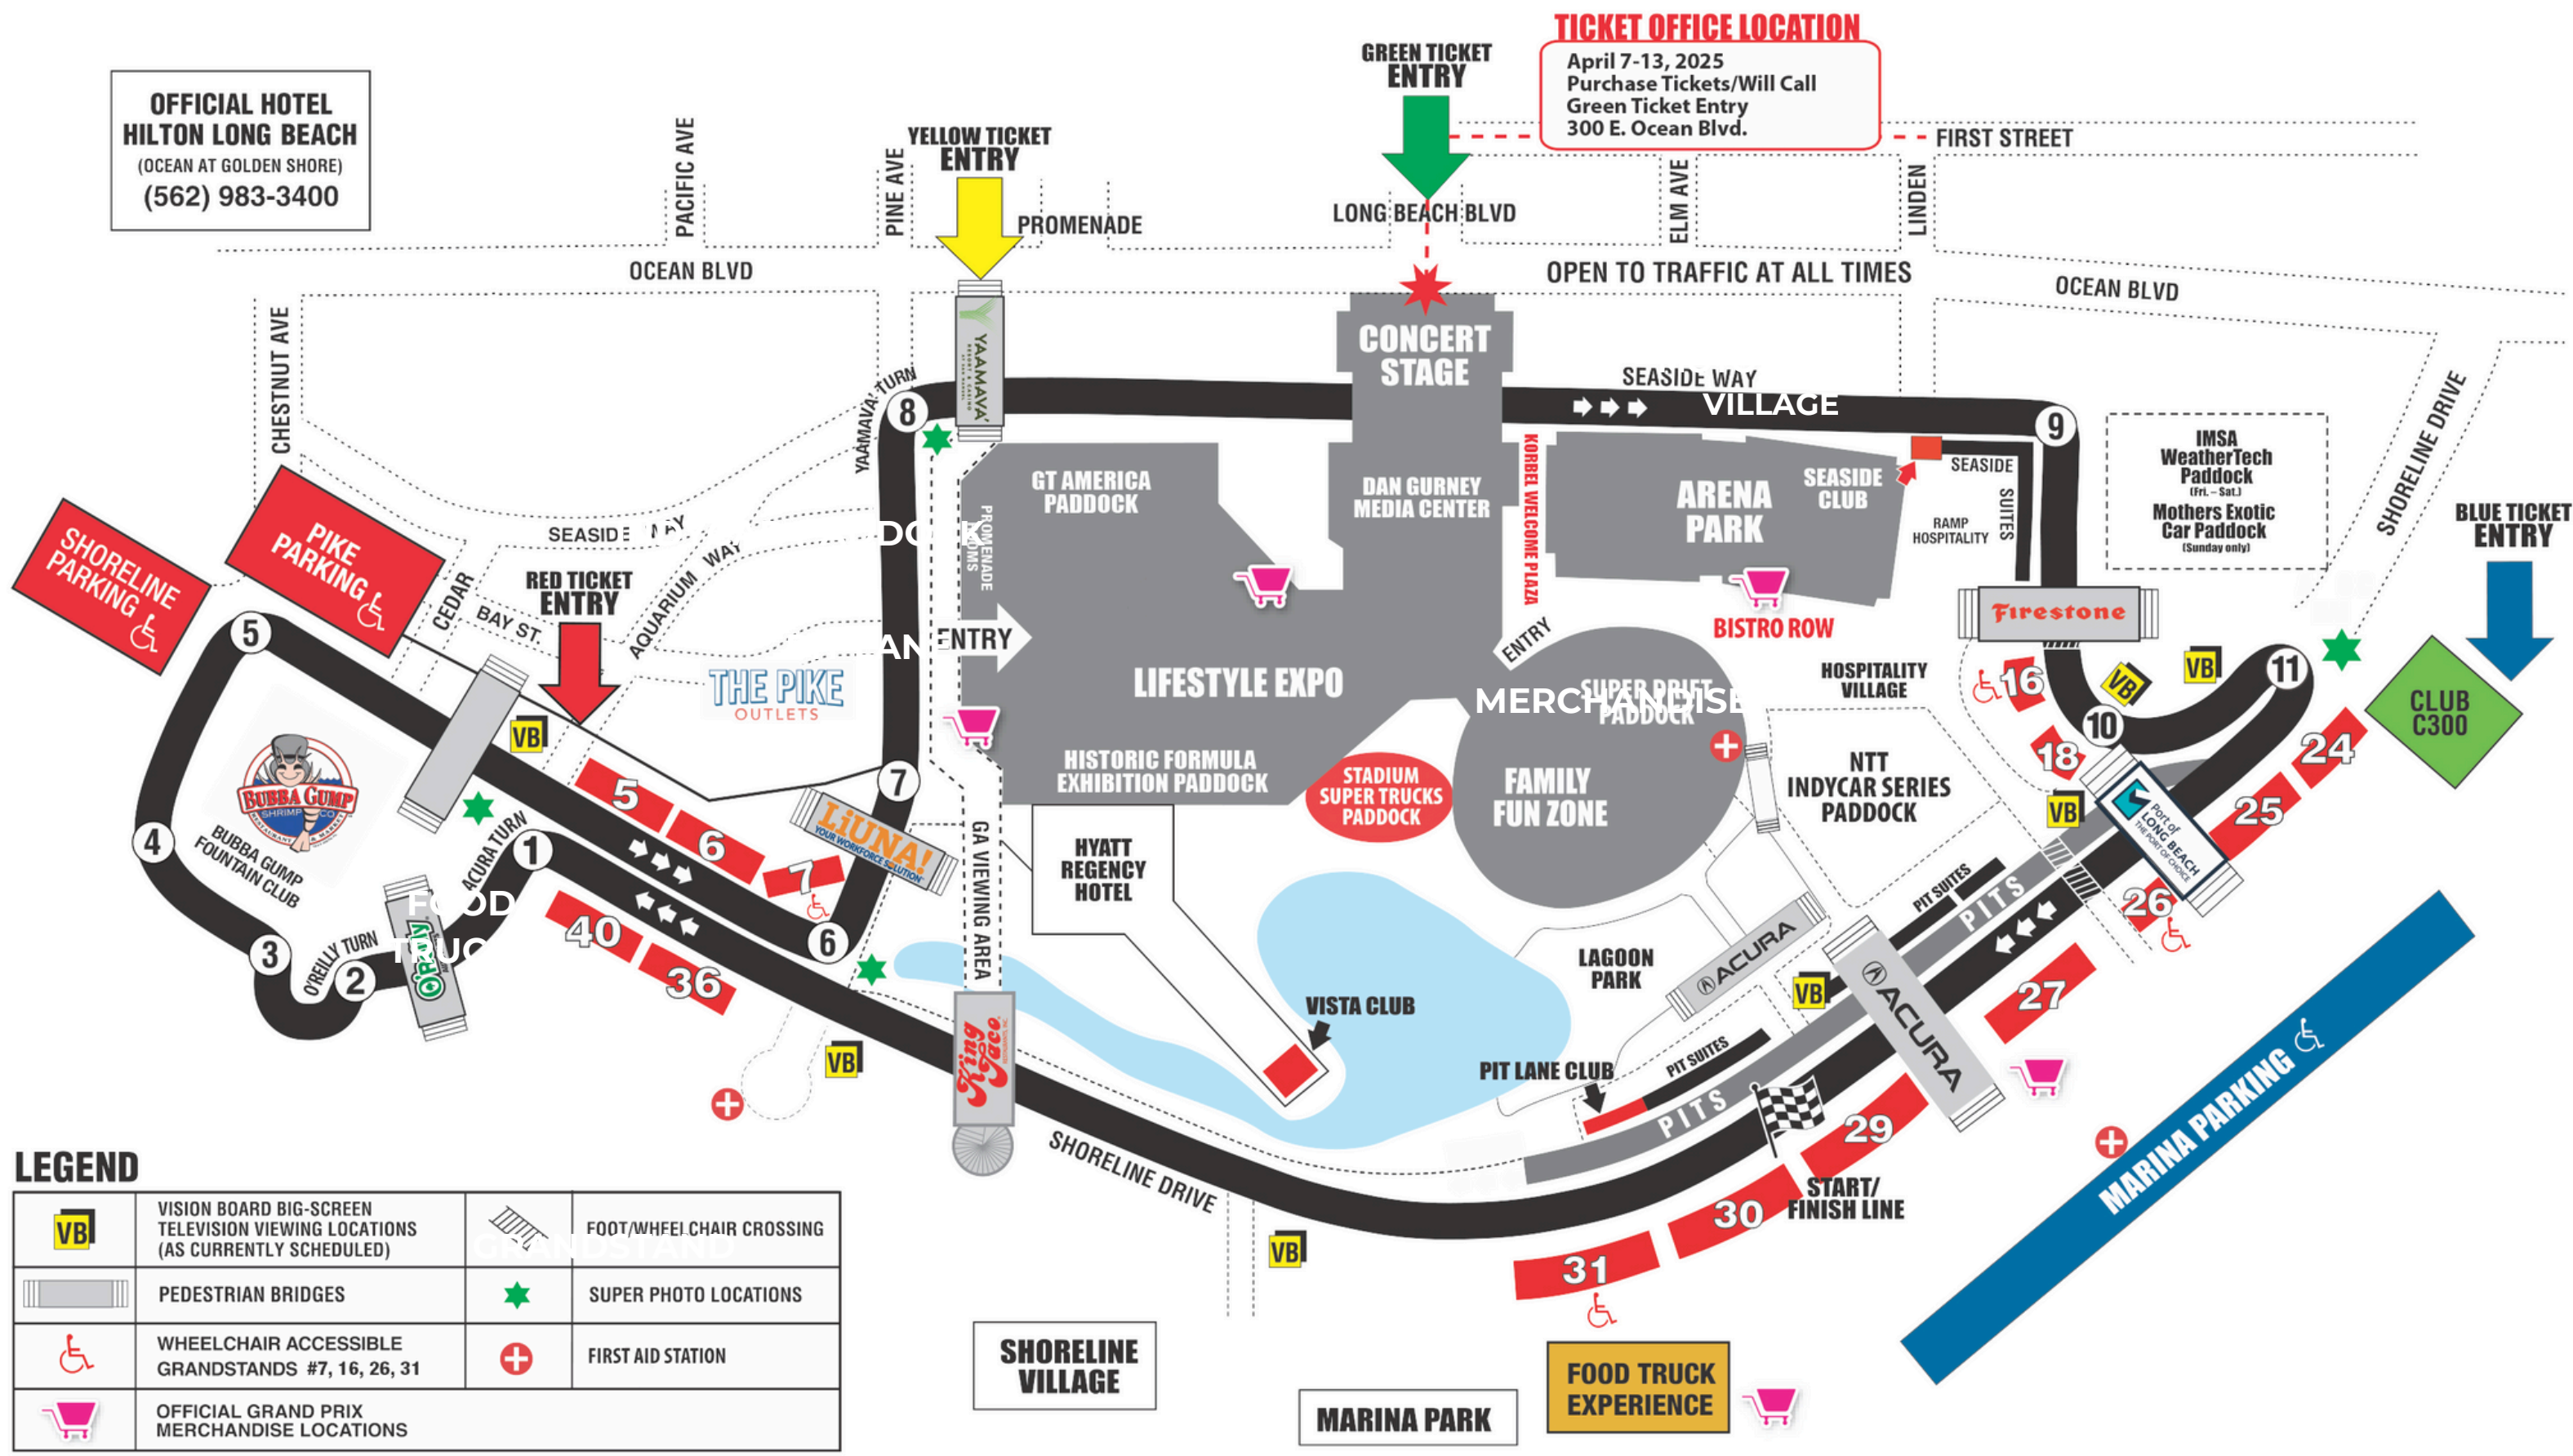

Please meet Anne, Marie or Becky at the designated area - in front of the AJ Foyt Racing transporters - at 11:430AM. During the tour, you will gain privileged access to the bustling garage area, where you will witness the dedicated crew skillfully working on the race cars up close, offering you an insider's perspective on the precision and teamwork that drive our success. Additionally, you will be granted a rare behind-the-scenes glimpse inside the transporters, which function as the "mobile headquarters" for our teams, providing essential support throughout the racing season. The tour will conclude with a group photo and meet and greet with rising star Santino Ferrucci, driver of the No. 14 Indy car. *Please note that tours may be subject to change and/or cancellation.

GARAGE AREA: *While we strive to provide the most up close and personal access, please be mindful that the AJ Foyt Racing Crew will be actively working in the garage area. Space is limited and your awareness of the environment around you is appreciated. Please do not cross the stanchions unless invited by an official team member.

ATTIRE: There are no dress code requirements for this event, but comfortable walking shoes are highly recommended during your time at the racetrack. Rain gear is encouraged when inclement weather is forecasted. Sunscreen and sunglasses are recommended during sunny days.

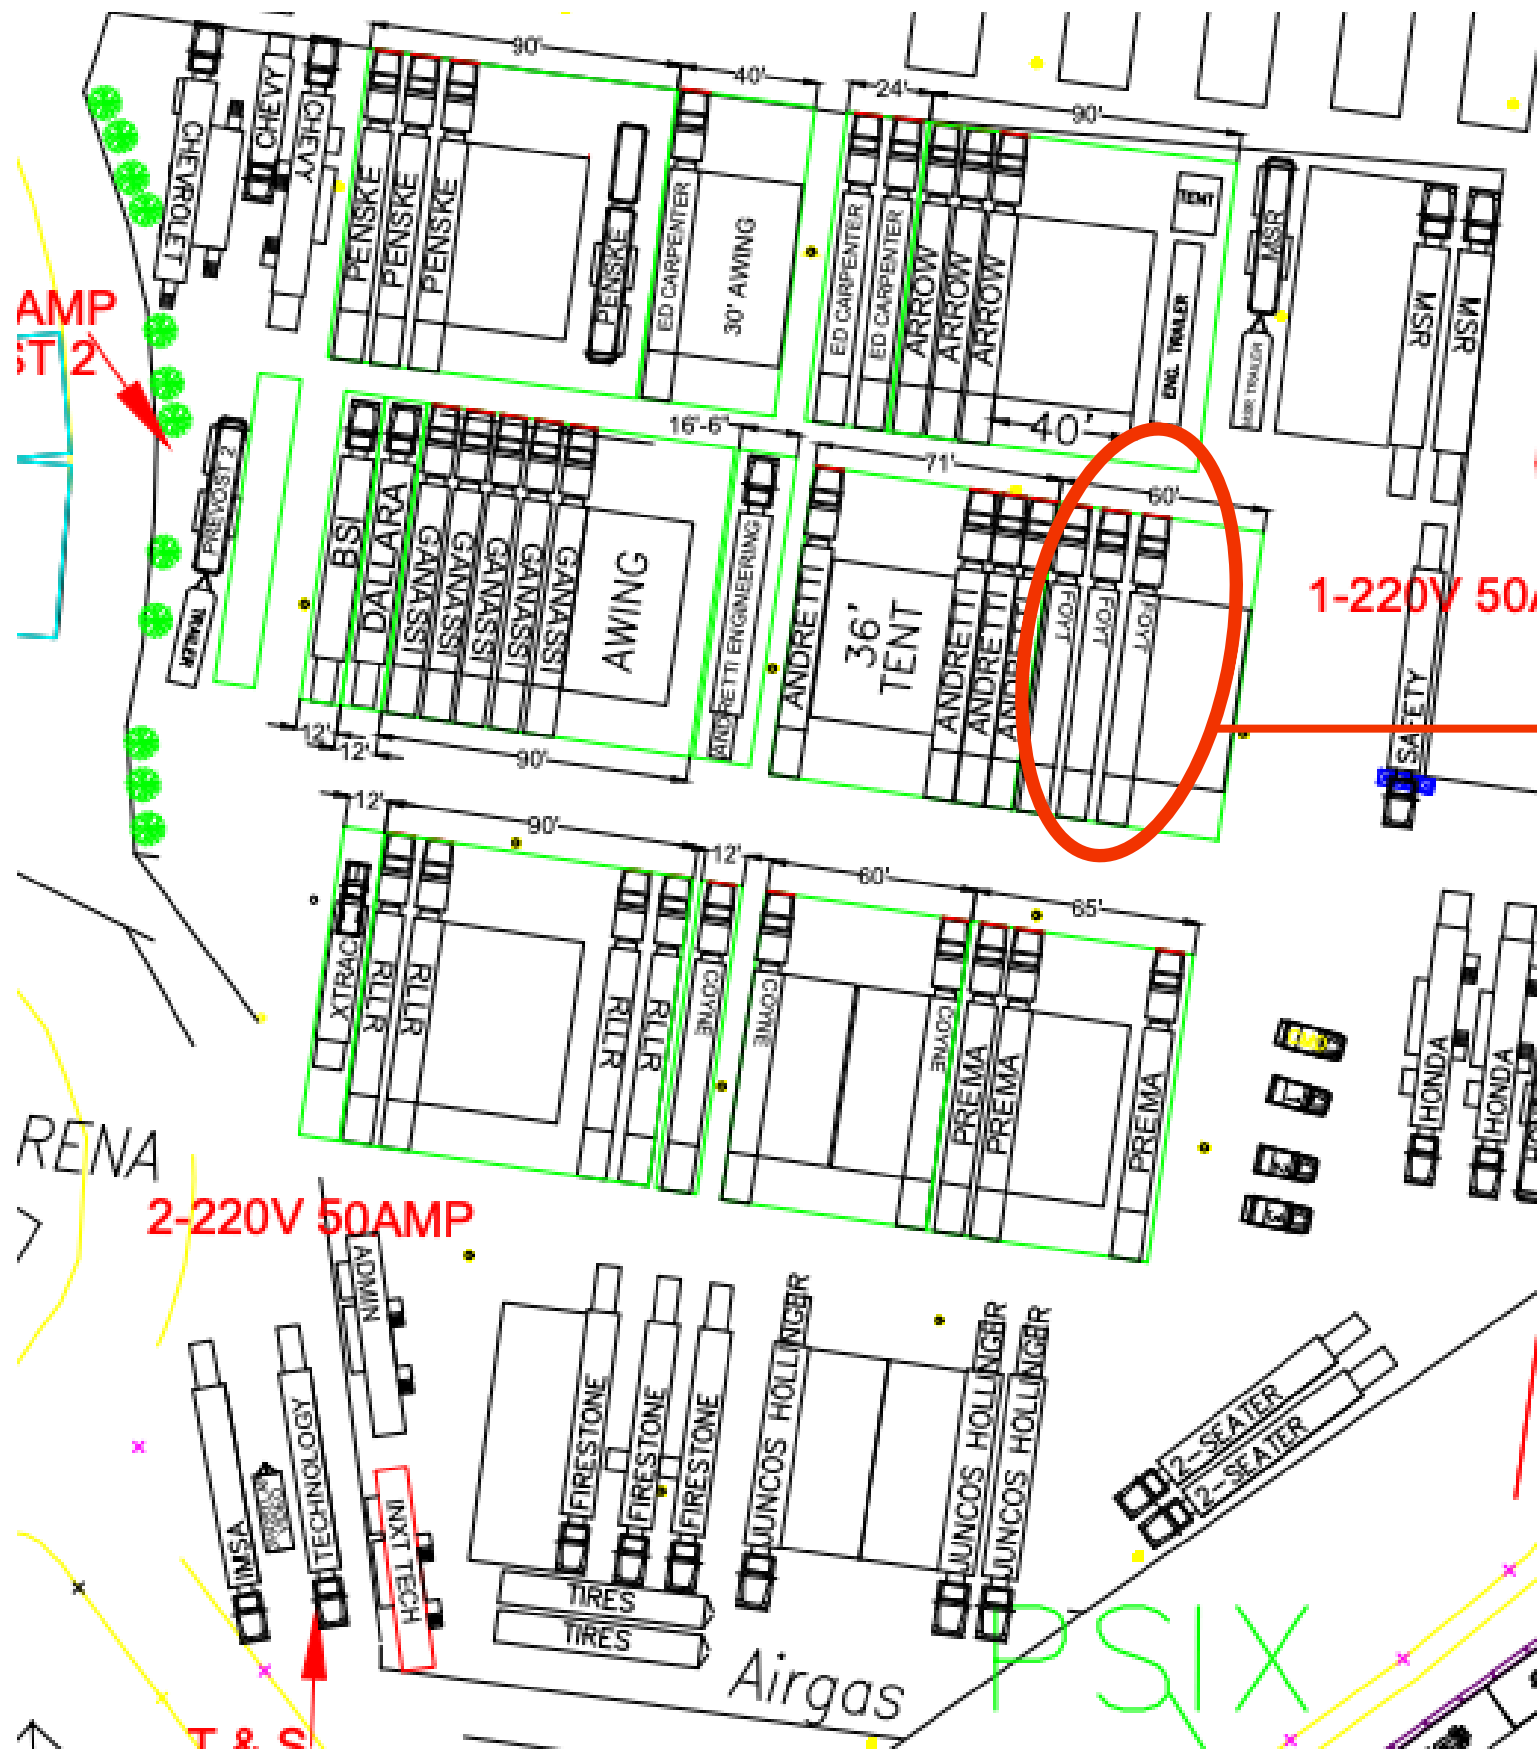

INDYCAR MOBILE APP: [Download the INDYCAR MOBILE APP](#) to get the latest news, follow live timing and scoring during on-track sessions and enjoy views from the driver's seat with our LIVE in-car camera from Santino's cockpit during the race! (Don't miss the VensureHR logos on the aeroscreen!)

GRAND PRIX OF LONG BEACH CIRCUIT MAP

VensureHR guests will be welcomed to AJ Foyt Racing’s team hospitality in the garage area. There is seating behind the work area where you may relax and enjoy refreshments and food you may have purchased from one of the event vendors or nearby food trucks. We kindly ask that you ensure the working crew has enough seating during their designated (and limited) lunchtime.

For your safety and with respect to the mechanics and engineers, please do not venture into the “garage” area while the crew is working on the cars. Please ask one of the team representatives if you’d like to see the crew working on the cars up close outside of your designated tour time and we will be happy to guide you safely.

PIT LANE INGRESS	

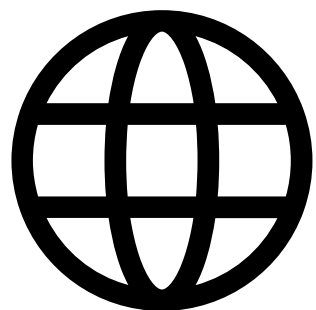

PIT IN

Both the No. 4 and No. 14 AJ Foyt Racing teams are located next to each other on pit lane in pit boxes 9 and 10.

The easiest access to pit lane from our garage area is to head away from the AJ Foyt Racing trucks, go past the safety truck, and eventually make a right towards the pit lane ingress. Once you enter pit lane, make another right and walk down the pit lane until you come to our pit boxes.

PLEASE NOTE: Long Beach has one of the tightest pit lanes on our schedule, so please watch your step (it runs along a curb) and please be mindful of team equipment on the ground as well as the possibility of opening doors from the portable restrooms located throughout!
